Moffat.

If there are others who would like to join the group and will speak to Mrs. Lashley Hall, their names will be published in a subsequent issue of this paper.

Pro Rec Notes

By Pro Rec Reporter

Pro Rec class on Thursday night was well attended. Many onlookers happened to be there and were so interested in the proceedings that in view of their intention to join the class.

The president spoke to the classes. Now to carry on, we simply must have more members. What we want is one hundred regular attendances to keep the Pro Rec classes at the school.

The largest crowd to date turned out Monday night to the display in the school gym. The boys' class put on a wonderful display, one that would have been hard to equal anywhere.

The display by the women's class was rather disappointing as the class was given a series of exercises that were more of less unfamiliar. The class's regular instructor, Mary Lamb, was unable to be present, and a substitute had to be provided at the last moment.

Still another disappointment was in store for the spectators when the motion picture machine would not run properly. The show eventually had to be cancelled.

Classes from now on will be held in the school gym, Mondays and Thursdays at 8 p.m. A special meeting was held and Mr. George Thrift appointed vice-president. Mrs. Ada Shaw, chairman of the entertainment committee, and Mr. Friend, chairman of finance.

The Sunnyside Circle of the White Rock Women's Institute was formed in the Sunnyside Hall, October 29. Mrs. Cole, a member of the Women's Institute for 27 years, was elected president; Mrs. Peter Robson, vice-president, and Mrs. Holm, secretary-treasurer.

Meetings to be held in the hall the last Wednesday of every month.

The White Rock Women's Institute will hold a whist drive in the Pier rooms, Friday, November 21, at 8 p.m. Proceeds being used to purchase wool for "V" Bundles.

Mrs. North has received word from her son, Lloyd, who has arrived in Halifax. He has met Mr. Stephens, other teachers and some of the basketball boys.

Annual meeting of the White Rock Ratepayers' Association will be held in the Army and Navy hall on Wednesday, November 20, at 8 p.m. A representative gathering of residents is looked for.

Pto. Ray Feedham, stationed with the Medical Corps at Vernon, is home on a fourteen-day leave.

Red Downey has disposed of his interest in the Shell garage and is now employed in New Westminster. Mr. P. W. White of Vancouver, former owner of the premises is temporarily operating the business.

Annual meeting of the United Church Young People's Association was held last week. Miss Margaret Grant was re-elected president and Miss Ruby Rendall was made secretary.

Mrs. Alice Hillman was a recent visitor to the home of her nephew, Albert Hillman. Mrs. Hillman made the visit especially to see her great nephew, little Edward Wilson.

Mrs. R. L. Sandstrom, Marine Drive, was the weekend guest of Mrs. H. Williams, Burnaby.

New Residences

One of the fastest growing districts of White Rock is the west end residential district, with many new homes in the course of construction. T. D. Colclough has three new houses on the Colclough subdivision almost ready for occupancy. Mr. Carlls has two houses under construction, one on the Nicoll Road, the other on North Bluff and Nicoll Road corner. Louis Stannard is building a new home on Marine Drive for I. MacFarland of New Westminster. F. L. Smith is putting the finishing touches to the home of Mr. Berardot of Calgary. Mrs. Gottshall has recently had extensive alterations made to his Marine Drive home.

Waterworks Extension

The Waterworks Company are making an extension of their west end system. A new line is being laid down the Nicoll Road from Marine Drive north to the North Bluff Road. The line will be about 2300 feet long and at the present will serve seven consumers. Several fire hydrants will be included in the extension.

On account of Armistice Day, the monthly meeting of the Red Cross is postponed to Tuesday, November 12, at 8 p.m. The hotel being closed, the meeting will be held in the Legion hall.

On and after Tuesday, November 11, the Red Cross work rooms will close at 4:15 instead of the present time, 4:30.

WEDDING

Word has been received that Ross, eldest son of Mr. and Mrs. J. Norris, was married in London, England, on October 1, to Miss Marjorie Anne Young, Ross is with the No. 8 Field Security Section and has been in England since last July.

When Mr. and Mrs. Howard Merrill visited Edgar Hill and sister, Miss Bertha Hill, who have been confined in a Redmond, Oregon, hospital since they were injured in an automobile accident several weeks ago, they found Mr. Hill in a very critical condition with his physicians fearing an attack of pneumonia. Mr. Hill has many friends in White Rock who are anxiously hoping for an improvement in his condition.

Mrs. MacLachlan and son Harold, of Wells, former residents of White Rock, are visiting friends here in the district. Mrs. MacLachlan expects to spend the winter here.

The death took place in Carlton Place, Ont., on November 1, of Ella Mae Nicol, mother of Mrs. W. E. Chambers, Victoria Avenue. The sympathy of the district is extended to Mrs. Chambers during her recent bereavement.

An American geodetic survey party is now working in Semahmoo Bay and adjacent waters, making an international survey. A triangulation survey is being run, with one of the base points situated in White Rock. When completed, a large sighting marker will be raised, possibly on the high bluff above Colclough beach.

Rev. A. T. MacLachlan, Moderator of the Presbytery of New Westminster, and J. D. Macmillan of the Presbytery in Central Church, Vancouver, on Tuesday of this week.

Third Reading For Three Bylaws

At the meeting of Council on Monday last some items were of immediate interest to ratepayers of Ward V. A delegation from the Curtis Road area asking for completion of the road through the golf course to connect up with the highway. The clerk was asked to find out if it is possible to get an easement from the owners of the golf course to allow a fill through the gully, as the present road allowance is only 23 feet.

White Rock Board of Trade asked for a container to be made for the lifebuoy to be placed on the pier. This matter will be attended to.

The Council was asked to have the "Switzer Building" moved. The Engineer says this building is on the Indian Reserve, and not under the jurisdiction of the Municipality at the present time.

P. J. Salter asked if the drain running through his property would be finished this year. He was informed that this work will not be done this year.

There is a suggestion that the Campbell River Road, Washington Avenue, Marine Drive and the Stevenson Road be merged and called the Marine Drive. This matter will be discussed with the White Rock Board of Trade, the White Rock Ratepayers' Association, and the Ocean Park Community Club for their reactions.

An invitation was received from the Cloverdale Branch, Canadian Legion, to attend Remembrance Day Services at the United Church, Cloverdale, next Sunday, at 3 p.m. This invitation was accepted and the Council will attend in a body. It was decided to hold the Court of Revision of the Voters' List, on Saturday morning, November 15th, at 10 o'clock.

Several by-laws received their final reading, e.g., the White Rock Septic Tank Regulation Amendment By-law, and the Highway Water Works Local Improvements Proceedings By-law.

Regular meeting of the Women's Institute will be held in the Pier rooms, Wednesday afternoon, November 12. Members please notice change of date owing to Remembrance Day. Roll call will be, "What have I to be thankful for?"

An American Captain's Will

The following is part of a will said to have been made by an American Captain of finance:

To my wife I leave her lover, and the knowledge that I wasn't the fool she thought I was

To my son, I leave the pleasure of earning a living. For 20 years he thought the pleasure was mine. He was mistaken.

To my daughter I leave \$100,000. She will need it. The only good piece of work her husband ever did was to marry her.

To my valet I leave the clothes he has been stealing from me regularly for the last ten years. Also the fur coat he wore last winter while I was in Palm Beach.

To my chauffeur I leave my car. He almost ruined it and I want him to have the satisfaction of finishing the job.

To my partner I leave the suggestion that he take some other clever man with him at once, if he expects to do any business.

Remembrance Day

On Tuesday we celebrate Remembrance Day. Little did we think then that it would be just an armistice, for now the clash of arms is resounding throughout the world again. Then as we thought we were fighting a war to end wars, now it is for freedom; to live our lives as free men and women; with freedom of speech, religion and work; for the individual to go about his daily task without the fear that as long as he obeys the laws of his country the human and moral rights of others, he will not be pounced upon under the iron hand of tyranny.

On this day men who fought in the last Great War are observing the memory of it in respect to those who fell, today their sons are taking up the torch to carry on where they left off. They thought the work had been done, but alas, it was a lull and the storm broke out again. True it is that it has not touched our shores, may it never, and though we know that men of this generation are preparing for the clash, some have already paid the price, and our pocket-books have hit, there are many who do not realize how thankful we should be that we are not in the midst of all the strife and horror that is going on, therefore we should do all in our power to bring Victory over there, that this land of ours may not come under the heel of the oppressor.

So "Let us forget" let us remember to our duty as sons and daughters of a noble heritage and try to make a better world for those that will follow us.

Remember Poppy Day tomorrow. Buy one.

DON'T GROPE!

Dim evenings are stretching out—longer nights are coming—and morning arrives later with each new day, but you can still do the winter's farm jobs with safety and ease in a well lighted yard. A little careful planning of location for the overhead light, a good sized lamp in a wide angle reflector, or one of the new projector floods designed for outdoor use—properly mounted—will pay real dividends in speed, safety, economy and satisfaction. And you increase convenience and protection when lights are controlled from both house and barn.

A growing savings account reinforces your country's effort toward victory.

We've got to pay for the war and a savings account helps to do that because it enables you to accumulate funds for taxes, for Victory Bonds and for War Savings Certificates. It also provides for emergencies for yourself and your family. Open a Savings Account.

For the beginning of the week, "Lady From Cheyenne". Loretta Young, crusading suffragette for women's rights, defeats the town scoundrel, Edward Arnold, helps women win the vote in Wyoming in the 1890's. It's a gay little Western and Loretta's very good in her determined role, as is Robert Preston as the hero who loves her and helps to foil Arnold's bandits. Also "The Wax Museum". A mystery melodrama. Chan traps a dangerous killer who uses the wax museum as a hideout.

And for the week end there is "Men Of Boys Town". Spencer Tracy as Father Flanagan and Mickey Rooney as the Boys Town mayor carry on the story of the previous Boys Town picture and again stir our emotions with their sincere performances.

Also "Ride Kelly Ride". The grandest racing story ever brought to the screen. It's a tale of a jockey who couldn't be bought.

Boys we've known since babies

● We see them board the train after their last leave home . . . boys we've known since they were babies. We say "Good Luck . . . we're all pulling for you", as we bid them Good Bye. But are we? Are we "pulling" . . . all we can? What are we doing to help them? Are we giving them the things they need so badly . . . ships and tanks and guns and planes and ammunition? Are we giving them all they need? That's one thing we can do . . . we who stay at home . . . one thing we must do. We

must provide the money so much needed to win the war . . . and one way to do that is to buy more War Savings Certificates.

The help of every Canadian is needed for Victory. In these days of war the thoughtless, selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.
